

MAYON LACQUER THINNER

DESCRIPTION:

MAYON LACQUER THINNER is a premium quality thinner, and reducer blended from different solvents like ethers, complex ketones, and aromatics. Ideal for cleaning up and thinning out lacquer-based paints.

USE:

PRIMARILY USED TO:

- Thin out Lacquer-based Paint for best result of paint consistency and reduce possible paint defects upon application.
- Provide smooth surface appearance in terms of good flow-out, levelling, and high gloss with the right amount of a Mayon Lacquer Thinner added to nitro-based lacquers for spray application.

CAN ALSO BE USED TO:

- Clean brushes, rollers, and spray paint devices after lacquer paints have been used.
- Clean paint residue in both cement and plastic.
- Remove varnish stains and paint spots in cloth made of fiber.
- Remove adhesives and inks from different types of surfaces.
- Remove hardened stain on doorknobs or similar surfaces.
- Clean rust stains, tar, grease, tree sap and drivetrain.

COLOR / APPEARANCE:

Water White Clear Liquid

DIRECTION FOR USE:

Ensure the surface is clean and dry. Follow paint manufacture's guidelines to thinning paint. Refer to label for full instruction.

PACKAGING:

350 cc bottle; 1 L and 3.75 L rectangular can; 18 L tin can, 200 L drum

SHELF LIFE:

2 years in unopened container

STORAGE & DISPOSAL:

Keep container tightly sealed. Do not store above 35 °C. Must not be disposed together with household garbage. Do not allow product to reach sewage system. Disposal must be according to government regulations.

The information in this data sheet is based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests neither do they imply any legally binding assurance of certain properties or suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any propriety rights and existing laws and legislation are observed.

LABEL ELEMENTS:

Danger. Highly flammable liquid and vapour. May cause genetic defects. May cause cancer. Suspected of damaging fertility or the unborn child. Causes damage to organs. May cause damage to organs through prolonged or repeated exposure. May be fatal if swallowed and enters airways. Harmful if inhaled. Causes skin and serious eye irritation. May cause drowsiness or dizziness. May be harmful if swallowed. Harmful to aquatic life with long lasting effect.

Contains: Methanol, Methylbenzene, and Naptha (Petroleum), hydrotreated light

Precaution: Avoid exposure - obtain special instructions before use. Keep locked up and out of the reach of children. Do not empty into drains, dispose of this material and its container at hazardous or special waste collection point. Wear suitable protective clothing, gloves, and eye/face protection.
